

Paperslide Video

GROUP # 1

Title of your paperslide video: _____

Paperslide assessment question: _____

Group members: _____

Directions:

1. Write a script that explains all the concepts below and how they are connected/related.

Check off each concept once it has been included in your script

2. Find/create images that illustrate your script.
3. Give your paperslide presentation a title based upon the information in your script. Write the title at the top of this page. Create one paper slide for your title.
4. Write a question for the audience to answer that assesses understanding of the concepts in your script. Write your assessment question at the top of this page. Create one paper slide for your assessment question.
5. Film your paperslide video.

Don't forget. *Check the box if your paperslide video...*

begins with a title slide.

ends with an assessment question slide.

has appropriate images that clearly correspond to the script.

is filmed while holding the camera steady or while using a tripod.
